

Management and Senior Professionals (MSP) at University of California, San Diego

Title of the Position:

Endocrinologist in Endo/Met, Department of Medicine, UCSD

Summary of the Position:

The Division of Endocrinology in the Department of Medicine (<http://med.ucsd.edu/>) at University of California, San Diego, is committed to academic excellence and diversity within the faculty, staff, and student body and is actively recruiting candidates with a strong commitment to teaching, patient care, clinical investigation, and program development/quality improvement.

The Division is seeking an endocrinologist with a strong interest in delivering direct care for patients with diabetes or other endocrine conditions in the ambulatory setting, providing inpatient consultation, and precepting trainees with the intent of increasing capacity in the Division of Endocrinology.

Duties and Responsibilities:

- Provide patient care in the outpatient setting for general endocrinology and diabetes in La Jolla, Hillcrest, Encinitas, and/or additional locations to be determined
- Teach Medical Students, Fellows and/or Residents in the outpatient and inpatient setting, and in didactics and conferences
- Attend on the inpatient setting in La Jolla and/or Hillcrest hospitals for General Endocrinology Services or Inpatient Diabetes.

Qualifications and Experience:

The successful candidate must have an MD or MD/PhD. Candidates with an MD must be board eligible/certified in endocrinology and metabolism. Candidates with an MD must have or be eligible for a California medical license or equivalent certification/permit as determined by the Medical Board of California.

Salary/Stipend

According to UCSD standards/regulations.

Special Instructions to Applicant:

The applicants should send a C.V., a letter of interest, and the names and contact information of three references to bcormode@health.ucsd.edu

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran.
